GREEN CHEMICALS FOR A SUSTAINABLE FUTURE SEMINAR

Dear Valued Customers and Partners,

Rieckermann is delighted to invite you to join our “Green Chemicals For A Sustainable Future” seminar to support our nation’s vision of Net Zero Carbon by 2050!

Come and discover the latest innovations of green technologies applicable to the petrochemicals and oleochemicals industry presented by Rieckermann’s partners: Buss Chem Tech, KVT Technologies, and GIG Karasek. You are also invited to join our exclusive networking luncheon, where you will have the opportunity to network with experts and industry players.

The details of the event are as follows:

Date: October 25, 2023 (Wednesday)

Time: 8.00_{am} – 4.30_{pm}

Venue: Topaz Room, Mandarin Oriental Hotel Kuala Lumpur

We look forward to welcoming you to our event.

Together, let us create a greener and cleaner future!

Best regards,

Your Rieckermann team
